Dear Mr. /Mrs. /Ms.,

Appling for the Training

I'm writing to you regarding the Quality Assure role that opened up recently. I came across the job description on Top Jobs and was delighted to find that my academic accomplishments meet all of the necessary requirements. I am seeking a challenging but rewarding internship, which is why I was drawn to this exciting opportunity.

As a student at the Wayamba University of Sri Lanka, I have acquired skills in QA testing tools , Software Engineering and programming. While in the University, I have strategically focused my coursework in the following areas:

- Computers and Operating Systems
- Computer Programming(C, C++)
- Practical Computing, JAVA Programming
- Object-Oriented Programming
- Database Management Systems
- Data Structures & Analysis of Algorithms
- Data Communication and Computer Networking
- Rapid Application Development
- Computer Architecture
- Software Engineering
- Python Programming
- Web Designing and e-commerce
- Artificial Intelligence
- Cloud Computing
- Image Processing

Using my knowledge of the above, I would be delighted to have an opportunity to personally interview with you. Please accept the enclosed resume and feel free to contact me at your earliest convenience. I appreciate your time and consideration.

Yours sincerely,

T.A.T.Pramoda
